

"Purified Water from A Masterpiece of Craftsmanship"

Aqualite RO/DI Water Purification System

Aqualithin's® Exclusive
Optional "Zero Noise
Platinum Booster Pump".

AQUATHIN® lites the way into the future of Water Purification with the AQUALITE™. The AQUALITE™ Water Purification System is comprised of three patents to give you the most effective and efficient water treatment system in the universe -- we Golden guarantee it! NO ONE DOES IT BETTER.

The Patented Reverse Osmosis Deionization Process provides water that is salt free and eliminates nitrates, heavy metals, chemicals, pesticides and disease causing waterborne microorganisms. The Patented IQ-EMP Selectronic Memory Panel is light years ahead of the industry providing illuminating LED self-diagnostics of the AQUALITE'S™ water purification procedures, for the best taste in life.

Enhance the quality of your family's life with AQUALITE.™
